THE ROLE OF A BOARD, COMMITTEE OR COMMISSION MEMBER

A member of a City board, committee, or commission serves an important role in community life. The input of the members helps shape the policies under which the City operates.

In general, boards and commissions have some degree of final authority assigned to them by law or ordinance, whereas committees and task forces function strictly as advisory bodies. However, each entity shall have the authority assigned to it.

Pursuant to the City Charter, all board, committee and commission members are nominated for appointment by a three-person nominating committee. This committee is made up of the Mayor, Council President, and the chairperson of the respective board, committee or commission. In the event the term of the chairperson has expired, the vice chairperson, or if none, a designated member elected by a majority vote of the board, committee or commission serves on the nominating committee in the chairperson's place. The nominating committee recommends its selections to the City Council. The City Council votes to confirm all appointments.

By accepting a position on a board, committee or commission, members agree to:

1. Review the meeting material as distributed by the staff liaison so that they are prepared to participate in the meeting.
2. Attend as many meetings as possible and no less than 50 percent of all scheduled meetings each year.
3. Attend biennial ethics training as scheduled by the City.

Each board, committee or commission shall meet at least annually. Each board, committee or commission shall also elect a chairperson and a vice chairperson on an annual basis (except for Planning and Zoning Commission, whose chairperson is appointed by the Mayor with the consent of the City Council). The chairperson shall have a limit of three (3) consecutive years for any one member.

A Council member shall be appointed by the Mayor, subject to the consent of a majority of the entire City Council, to serve as liaison for each board, committee or commission of the City with the exception of the Board of Adjustment, the Planning and Zoning Commission, and the Personnel Appeals Board. The appointed Council member shall be the liaison between the City Council and such board, committee or commission. The City Administrator shall appoint staff liaisons for all other boards, committees and commissions. The staff liaison of the Police and Safety Committee shall be the Chief of Police or his/her designee. The Director of Community Development shall serve as liaison to the Board of Adjustment and the Planning and Zoning Commission.

TERMS

The limit of tenure on all boards, committees and commissions (excluding the Board of Adjustment) is three (3) consecutive, three (3) year terms for a total of nine (9) years to a single board, committee or commission. (Regardless of tenure, each board, committee or commission member shall serve until their successor is appointed.) Terms expire on June 30 of the appropriate year (except the members of the Employee Pension Board of Trustees, whose terms expire September 1 and Audit Committee expire December 31).

SUPPORT OF BOARD, COMMITTEE OR COMMISSION ACTIVITIES

Role of the Chairperson

Each board, committee and commission, except the Planning and Zoning Commission (whose chairperson is appointed by Mayor with consent of the City Council), shall annually elect a chairperson and a vice chairperson who shall each serve for a term of one year. No person shall serve as a chairperson for more than three consecutive years.

The role of the chairperson is to:

1. Call meetings to order and to chairperson meetings.
2. Coordinate with the Mayor and City Council on the City's needs, policies and interests and to communicate them to the members of the board, committee or commission.
3. Coordinate with the staff liaison, and through these individual other members of the City staff, on matters requiring the attention of the staff.
4. Serve as the third member of the Nominating Committee with the Mayor and Council President to select and recommend to Council the appointment of new members or reappointment of existing members to serve on the board, committee or commission when terms expire or vacancies occur.

Role of the Council Liaison

The Mayor appoints one member of the City Council to each board, committee and commission as a non-voting council liaison, subject to the consent of the majority of the City Council, with the exception of Planning and Zoning and Board of Adjustment. Council liaisons do not count toward a quorum. The role of the council liaison is to communicate the City Council's needs, policies and interests to the members of the board, committee or commission and to communicate back to the City Council the recommendations made and discussions held by the board, committee or commission. This ensures thorough communication between the elected officials and the members of the boards, committees and commissions.

Role of the Staff Liaison

Each board, committee and commission are assigned a staff liaison by the City Administrator. Staff liaisons are members of the administrative staff and have knowledge and expertise in the functional area in which the board, committee or commission is involved. The staff liaison is a non-voting member of the board, committee or commission and does not count toward a quorum.

The staff liaison serves to:

1. Provide research and information to help members formulate their recommendations to the Mayor and City Council.
2. Coordinate and schedule meeting times, dates and locations.
3. Coordinate with the chairperson on the various activities of the board, committee or commission.
4. Provide continuity by maintaining complete files of the board, committee or commission and provide access to these records upon request by any member, City official, employee or members of the public.
5. Annually review with the board, committee or commission Sunshine Law requirements pertaining to open meetings, minutes, agenda posting, etc., and ensure proper procedure is followed.

6. Develop the agenda in collaboration with the chairperson, ensure agenda is posted in accordance with the Sunshine Law requirements and post the meeting schedule on the City's webpage calendar.
7. Post agendas and meeting minutes to the city's automated agenda management system on a timely basis.
8. Advise the City Administrator of the activities of the board, committee or commission, and ensure thorough communication between the administrative staff, the members of the boards, committees and commissions and the Mayor and City Council.
9. Schedule, in conjunction with the chairperson, no less than one (1) meeting per year.

Role of the Mayor

The Mayor serves as an ex-officio non-voting member of all boards, committees and commissions [Municipal Code Sec. 125.010 (c)]. In order to effectively carry out the duties of the office, the Mayor may attend the meetings of any board, committee or commission and participate in a discussion with the members.

Role of the City Attorney

The City Attorney is the legal counsel to the Mayor, City Council, City Administrator, employees and the boards, committees and commissions of the City. The City Attorney reports to the City Administrator. Members of any board, committee or commission who desire the advice of the City Attorney on a matter before the board, committee or commission should coordinate such a request through the staff liaison.

FOR THE RECORD . . .

Missouri State Sunshine Law

All boards, committees and commissions of the City of Creve Coeur are subject to the provisions of the Missouri Open Meetings and Records Law (known as the Sunshine Law).

Posting of Meeting Notices and Agendas

Notices of meetings are required to be posted at least 24 hours in advance of the meeting, *exclusive of weekends and holidays*. (In an emergency situation, subject to State Statutes, less than 24 hours of notice is acceptable—subject to the approval of the City Clerk.) The main bulletin board in the front lobby of the Creve Coeur Government Center is the official posting location. The City Clerk is responsible for the contents of this bulletin board and works with the staff liaisons to ensure posting requirements are met. The meeting calendar is also printed in the newsletter and posted on the City's website.

In addition to the meeting notice, the Sunshine law and City policy requires that an agenda be developed and posted for the meeting containing the items of business to be discussed. The staff liaison works with the chairperson to develop this agenda. The agenda may be brief and simply contain a listing of the items to be discussed.

Minutes

Minutes of all board, committee and commission meetings will be taken and, at a minimum, will contain the following information:

1. The meeting date, the time the meeting convened and the meeting place.
2. The calling to order by the chairperson.
3. The roll call, including a recording of the names of the members present and absent.
4. A listing of staff members in attendance.
5. A brief summary of the discussion and any motions made and voted upon by the members.
6. The vote taken by a board, committee or commission on a motion; if a roll call vote is taken, the ayes and nays shall be attributed to each member voting, or if not voting, the abstention.
7. Next meeting dates, times and locations, if determined.
8. The time of adjournment.
9. The name of the individual taking the minutes.

Minutes should be approved by the board, committee or commission at the next regularly scheduled meeting. The department with the operational responsibility for the board, committee or commission's primary function typically maintains the board, committee or commission's file, including the minutes and other work papers, subject to supervision by the City Clerk.

Biennial Training

In an effort to improve communication about committee roles and responsibilities of members, staff and the City Attorney will provide biennial training to committee members regarding: Robert's Rules of Order; public meeting requirements; effective meeting etiquette; and understanding the role and responsibilities of the chairperson, vice chairperson, staff liaison and council liaison.

Attendance – Determination of a Quorum

In order to conduct business, the board, committee or commission must have a quorum. A quorum is a simple majority (half of the regular members plus one). The chairperson is considered a member in the determination of a quorum. A quorum is generally calculated out of the total number of seats on a board, committee, commission or task force, not out of the number of seats currently filled. For example, if the committee has eight (8) members and two (2) vacancies, the quorum is counted out of eight (8) members, not six (6). However, for those bodies with flexible membership, described as “up to” a certain number, a quorum is determined based on the current number of appointed members. The Mayor, Council and staff liaisons do not count toward a quorum except for the Employee Pension Board, whereby the council liaison is a voting member. In the event a quorum is not obtained, discussion can occur but no official business or votes may be conducted. Should late arrivals result in a quorum being reached, official business may be conducted.

Board, committee and commission members are expected to attend no less than 50% of scheduled meetings each year. Unless otherwise provided by law or ordinance, a board, committee or commission member may be removed by the same process as they were appointed.

In 2020, Council passed Ordinance No. 5688 regarding permitting the use of videoconferencing and telephonic technology by city boards, committees and commission in cases of emergency, in order to conduct city business for the benefit of the public.

Public Accessibility and Accommodation of Special Needs

The Missouri Sunshine Law requires that all meetings are to be held in a location that allows for public attendance. Individuals with special needs are encouraged by City policy to communicate their needs to the Office of the City Administrator in advance of any meeting so that the proper accommodations can be made, if any are required, for the individual to participate in the meeting.

In the event an individual with a special disability attends a meeting without advance notice of the need to provide an accommodation, the chairperson shall, absent an impending deadline for action, make reasonable effort to postpone and reschedule the item of business for which the individual is attending the meeting until arrangements can be made to satisfy the need(s) of the person.

A MATTER OF ETHICS

Conflicts of Interest

A code of ethics was adopted by Ordinance No. 1235, on July 27, 1987 (restated as Ordinance No. 3035 on January 24, 2005). The code sets forth the ethical standards of conduct expected by the elected and appointed officials and the employees of the City. Further, the City Charter contains a conflict-of-interest provision set forth in Section 14.1, Personal Financial Interest.

Each member of a board, committee or commission of the City is required by ordinance to attend ethics training. The City of Creve Coeur will periodically schedule ethics training for their employees and all board, committee and commission members. Each appointed official is also required to read a copy of the City's code of ethics and to sign a statement indicating that he or she has received and read the material. These statements are maintained by the City Clerk.

Missouri State Ethics Commission

In 1992, the Missouri State Legislature passed ethics legislation creating a Missouri State Ethics Commission. Creve Coeur elected officials, appointed officials and employees are subject to the provisions of the state law. The state statutes have been incorporated into the City's Ethics Code by reference. Certain City officials are required to submit to the Missouri Ethics Commission, each year prior to May 1, a Statement of Personal Financial Interest covering the preceding 12 months. Currently, this includes the Mayor, City Council, City Administrator, Finance Director, candidates for elected office, and Planning and Zoning Commission and Board of Adjustment members.

Advisory Opinions

The City Attorney is authorized to issue advisory opinions to elected and appointed officials upon request in an attempt to ascertain whether the ethics code is applicable in a given situation.
