

Effective March 1, 2020

Per Ordinance No. 5679

Community Development Fee Schedule

Any funds deposited in escrow with the city pursuant to this fee schedule are subject to forfeiture for violation of code requirements as provided for in Chapter 500 and Chapter 410 of the city Code of Ordinances. Additionally, the city may draw upon such funds at any time to pay for costs incurred to correct deficiencies and damages, in which case the deposit must be replenished by the applicant upon demand. Any deposits made to cover processing costs must be applied to such costs first, but any balance may be handled like any other escrow. Escrow funds are held by the city as assurance for completion of the project, compliance with the building and zoning codes, compliance with all storm water and land disturbance ordinances, repair of damage to public property and compliance with the approved site plans.
